

Great News of God's New Covenant

The great news from God's plan of salvation is that you are a completely forgiven person in the eyes of God. The sin issue has been dealt with, once and for all. Our sins; past, present, and future, have been taken away from the eyes of God never to be seen again. God is no longer dealing with us on the basis of sin as He was in the Old Covenant. How God dealt with mankind before the cross is different from how He deals with us today.

It's the most exciting message that there is in the Word of God. The most exciting message that has ever touched this planet and when we get a hold of it, our lives are changed. **Isn't that great news!**
